### St. Lucia

Not only was St. Lucia not affected, but it's also offering as much as **65 percent off hotel rooms** through the end of the year. (Suite upgrades and resort credits are other options.) Plus, the island recently added two all-inclusives: [Royalton Saint Lucia Resort](#) and [Serenity at Coconut Bay](#), each offering additional deals as well. Another all-inclusive, [Bel Jou Hotel](#) is set to reopen in November following major renovations. Meanwhile, [Sandals Halcyon Beach](#) added honeymoon butler suites, and yes, those qualify for the 65 percent off discount too. In addition to deals, many hotels are donating to the [Caribbean Tourism Recovery Fund](#). For example, [Caille Blanc Villa](#) is donating 15 percent of all bookings made through the end of year and matching individual donations with up to \$50 in resort credit.
