Serenity at Coconut Bay, which opened in June as St. Lucia's newest luxury all-inclusive with just 36 suites, is celebrating that grand opening with an adults-only Grand Romance Experience. Couples can see St. Lucia by land on a private chauffeured island tour, by sea on a Champagne & Jazz Sunset Catamaran Cruise, and be treated to unique resort experiences during their seven-night stay in addition to receiving a \$1,000 instant air credit. Travel agents earn 15 percent commission and more for bookings.

The Grand Romance Experience includes an in-suite couple's tranquility massage in the privacy of a luxurious plunge pool suite; a Champagne & Jazz Sunset Catamaran Cruise on Serenity's adults-only private catamaran; private chauffeured island tour including a swim under a waterfall and views of the world-famous Pitons; private beach cabana with butler service; private beach picnic at a secluded spot, just two romantics with a beach blanket and a fully-stocked picnic basket; private candlelit pool cabana dinner with butler service.

Serenity's 36 luxury plunge pool suites features spacious indoor and outdoor living areas ranging in size from 1,200 to 1,900 square feet with handcrafted finishes including Saint Lucia river rock, granite, and mahogany all blending indoor and outdoor spaces into one. In addition to tropical plants, coconut trees on the plunge pool decks add to the island feel with hammocks for two and outdoor rain showers successfully blurring indoors and out. Features include plunge pools, oversized soaking tubs, glass enclosed rain showers in en-suite bathrooms and custom made mahogany king beds.

Amenities include 24-hour room service, private in-suite check-in and check-out, a Pillow Menu, Bose entertainment centers, Molton Brown toiletries, bathrobes and slippers, nightly turndown service, coffee and tea maker, espresso machine, room safe, Smart TV, your personalized top-shelf bar and complimentary Wi-Fi.
